

Forgiveness Among Individuals: The Relationship Between Forgiveness and Health

Charlotte Witvliet, Ph.D.

Department of Psychology at Hope College

witvliet@hope.edu

"Embodied Forgiveness: Empirical Studies of Cognitive Emotional & Physical Dimensions of Forgiveness-related Responses"

Frequent Collaborators: Michael McCullough, Nathaniel Wade, Everett L. Worthington, Jr.

About the Investigator and Her Research in Forgiveness

Dr. Charlotte van Oyen Witvliet is a Professor of Psychology at Hope College in Holland, Michigan. She is trained as a scientist-practitioner Clinical Psychologist. She publishes in the field of emotion and psychophysiology research. Her specialized focus is in unforgiveness, forgiveness, and justice. With the support of the John Templeton Foundation, and a four-year Hope College Towsley Research Scholar Award, she has conducted programmatic empirical studies of forgiveness, published journal articles and book chapters, and given presentations in local, national, and international venues.
